April Budget Numbers: \$2,000/\$2,000

The *Black Doctors COVID-19 Consortium* was formed to address the fact that black Americans are being diagnosed at a disproportionately higher rate than other groups and are dying from coronavirus at a higher rate than other groups. **To date, they have raised over \$116,000 of their \$100,000 goal. It's exciting to think we played a part in that.** All funds will go to cover: 1. Van Transportation; 2. Personal Protective Equipment (PPE); 3. Educational Materials; and 4. Testing Supplies.
